

DEC 3000 Model 400S/600S/700S AXP Rackmount Server Installation/Owner's Guide Information Update

EK-RSNDP-UD. A01

January 1995

This document provides updated installation information for the *DEC 3000 Model 400S/600S/700S AXP Rackmount Server Installation/Owner's Guide*, Order Number: EK-RSNDP-IN. C01.

This addendum describes changes to the topic, *Preparing the Slides*, in Chapter 3, *Installing the Rackmount Server*, as follows:

- Step 1 - Adds front and rear RH brackets.
- Step 4 - Identifies the rear bracket (Item 5) as the right hand (RH) rear bracket.
- Step 5 - Identifies the rear bracket (Item 5) as the right hand (RH) rear bracket.
- Step 7 - Identifies the front bracket (Item 10) as the right hand (RH) front bracket.
- Steps 8a and b - Identifies the front bracket (Item 10) as the right hand (RH) front bracket.
- Step 9 - Adds front and rear LH brackets.
- Step 10 - Identifies the rear and front brackets as left hand (LH) rear and front brackets.

Preparing the Slides

Please mark the procedure on pages 3-2 and 3-3 in your system manual to reflect this updated information.

1. Find the slide assembly ❶, and front ❷ and rear ❸ bracket, all labeled RH that are shipped with the system. (If the slide assemblies are not labeled, pull out the inside race ❹ until the arrow ❺ and locking lever ❻ are visible (**do not** remove the inside race). The RH slide is the one with the locking lever ❻ pointing to the left and the arrow ❺ next to it pointing upward as shown in Figure 3-1. Mark the slide RH.)
4. Slide the long bracket (rear bracket labeled RH) ❸ on the rear of the slide assembly ❶ in the direction of the arrow.
5. Fasten the rear bracket (RH) ❸ to the slide assembly ❶ using two 8-32 screws ❹, flat washers ❺, lock washers ❻ and nuts ❼.
7. Slide the short bracket (front bracket labeled RH) ❷ on the front of the slide assembly ❶ in the direction of the arrow.
8. To fasten the front bracket to the slide assembly, proceed as follows:
 - a. Pull out the inside slide ❽ about half way, enough to align two half-inch access holes on the inside slide with the mounting holes ❾ on the slide assembly ❶ and the front bracket labeled RH ❷.
 - b. Fasten the front bracket labeled RH ❷ to the slide assembly ❶ using two 8-32 screws ❿, flat washers ⓫, loc washers ⓬, and nuts ⓭.
9. Find the slide assembly ❶, and front and rear brackets ❸ ❷, all labeled LH that are shipped with the system.
10. Attach the rear and front brackets (labeled LH) following steps 2 through 8.
