RouteAbout Access EI with MP Software   April 1996

READ ME FIRST

Dear Customer,

Thank you for buying a Digital Product. Prior to using your new RouteAbout Access EI module you must install and configure it. The following table describes how to get your module up and running.

Step	Action	Using . . .	Located in . . .
1 ✔	**Open plastic bag** containing the QA kit	Tape (pull back tape)	Box with module
2	**Check part numbers** (If any of these components are missing, call 1-800-332-7369 for replacement)	Parts List in this Read Me First Letter	QA kit
3	**Read** the module's **requirements** / **restrictions**	RouteAbout Access EI Release Notes	QA kit
4	**Install and configure the module** (Ensure that the DEChub 900 MultiSwitch firmware version is V4.1 or higher.)	*RouteAbout Access EI Installation and Configuration* manual.	Box with module
5	**Install** the software's **online documentation**	CD-ROM (This documentation is provided in DynaText document viewer format.)	Envelope in QA kit
