

**AlphaServer Systems**  
**OpenVMS application status report as of October, 01, 2007**

**Availability key**

(Available) Product is certified and shipping  
(Avail upon req) Product is available upon customer request  
(Planned) Certification planned

**How to navigate and sort**

The table is sorted by partner name. You can resort by following these steps:  
1. Place your cursor in the shaded heading line of the table.  
2. Pull down the "Table" menu on the Word toolbar.  
3. Select "Sort."  
4. Select your sort fields.  
5. Click on "OK." The table will resort to your specifications.

| Partner name                            | Application name  | Industry segment                                       | 6.2                     | 8.2 (AlphaServer)                   | 8.3 (AlphaServer)                                 |
